**30th Anniversary Party STEP**  
Thursday, 29th June 2023  
17.45 – 21.15 hrs

Dear Friends and Supporters of STEP,

Together we have been on our journey for 30 years. **Now it's Party time!**  
A summer boat trip is the perfect way to celebrate this, framed by fresh, inspiring music played by young musicians from Zurich with the album "Ile de Bonheur".

We will welcome our guests with a champagne reception followed by a "flying dinner" with plenty of space for networking and to enjoy this scenic boat trip together.

This festive trip is a great way to promote your company. We have put together some attractive packages. Our GOLD sponsor has the opportunity to hold a lottery with the business cards of the participants. There will be six Exhibition stand space reserved for sponsors and many other opportunities for your marketing. Looking forward to hear from you.

Yours sincerely,
